**Product and Company Identification**  
**POLISHING BAR**

---

**Date of MSDS:** 15.10.07

**Product Identification:** POLISHING BAR blue, white

**Company Name:** PERFLEX Ltd.

7 Giborey Israel St. Industrial Area Poleg  
Netanya 4250407, P.O.B 8123, Israel

**General Information Telephone: Emergency Telephone: Not required by regulations.**

---

**Hazardous Ingredients/Identity Information**  
**POLISHING BAR**

---

There is no danger identification.

Inhalation: if it is heated at more than 200°C, this product can produce smoke and irritating steam. It may cause coughing.

Toxicity information: Non toxic, Non irritant.

---

**Physical/Chemical Characteristics and composition**  
**POLISHING BAR**

---

Dispersion of natural abrasive material or synthetic in greasy material of mineral, vegetal or animal origin.

Physical state: solid

Smell: Greasy

Volume mass: around 2 g/cm<sup>3</sup> at 20°C

PH value: non applicable

**Color: Blue, white**

Boiling: over 200°C at 1013 mPa

Steam pressure: non applicable

---

**Fire and Explosion Hazard Data**  
**POLISHING BAR**

---

To extinguish fire: Carbone dioxide, dry powder or water. In case of fire, it must be taken to consideration that it may appear a gas of toxic combustion. Use a breathing devise in case of fire.

---

**Reactivity Data**  
**POLISHING BAR**

---
